

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

October 28, 2022

ICMS #: 2022-0972

On October 24, 2022, the OPO received a phone complaint.

The complainant alleges: He had phone conversations and e-mails from [REDACTED] regarding the incident at his residence when his landlady threatened him with physical assault about a month ago. Detective [REDACTED] told him there would be a follow-up. He had no response from APD. The complainant contacted Detective [REDACTED] who denied having spoken to him. He did get an e-mail apologizing because she found his statement. When he inquired about follow-up, he was told detectives do not follow-up up with misdemeanor C cases and that he had to go to municipal court and file his report. He went to municipal court and APD headquarters and no one would take his case. APD headquarters will not let anyone in the building. They told him to go home and wait for the follow-up. Municipal court told him he needed to go to Travis County court and hopefully, he will get some results. His specific complaint is that Detective [REDACTED] gave him the wrong information and at the beginning of the first e-mail she denied she had even been in contact with him. He does not know if it was her intent or if she was just lazy. She needs to be reported. The complainant stated it is absurd to have APD investigate their own people.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
