

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

June 24, 2022

ICMS #: 2022-0522

On June 21, 2022, the OPO received a phone complaint.

The complainant alleges: When he got home there were 3 Hispanic males, claiming to be [REDACTED] employees, running a telephone line through his front yard. When he questioned what they were doing they did not speak English, so he asked them to call their boss. Their boss arrived and shortly afterward two African American Police officers arrived. One female and one male. Officer [REDACTED], the male officer, immediately took offense to him. The complainant was standing in the street listening to what the officers were saying to the contractor when officer [REDACTED] told him he needed to go back to his yard. The complainant showed them the blueprints for the property and they both discounted it and did not believe that he lived there or owned the property. The complainant went back to his house, told the contractor the yard needed to be put back the way it was, and got in his car to leave. The officer made him leave his house and threatened to arrest him.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
