On June 2, 2022, the OPO received a phone complaint.

The complainant alleges: He was hit by a car and injured, and the police keep telling him it is a civil matter. There is a video of the incident that needs to be reviewed (case # [REDACTED]). The police keep telling him to go away and get out of their faces. There were other incidents. One was on [REDACTED], off of [REDACTED], and another was on [REDACTED] at the [REDACTED] and he has not been able to get any record of those incidents in order to follow up. He wants the names of the officers that responded to both incidents because they were very intimidating. He is having constant harassment from APD. There is a mug shot he cannot get removed from the internet and it is affecting his relationships and his ability to acquire a place to live so he now he is homeless.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
