

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

May 27, 2022

ICMS #: 2022-0410

On May 20, 2022, the OPO received a phone complaint.

The complainant alleges: Three officers came to the apartment complex where the complainant is staying for something unrelated to the complainant. Officer [REDACTED] talked to him for no reason. They ran his girlfriend's license plate and no one else's. The officer called him by name but the complainant hadn't told the officer his name and they have never met before. The officer was cocky. The complainant says he can't even walk to the store without being bothered by APD. His past is in the past. He's trying to walk the straight and narrow now, he's not doing anything wrong so they shouldn't be bothering him. He doesn't want to be harassed or harmed because of his past. His brother was killed by APD.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
