

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

August 5, 2022

ICMS #: 2022-0655

On August 3, 2022, the OPO received a phone complaint.

The complainant alleges: She was trying to document an incident with APD, and they hung up in her face. She was kicked out of the [REDACTED] area for no justifiable means, and she was told the police were going to be called, but they never called them. So, she called the police to file a complaint because they had already paid to get in. The police told her they could not do anything. She told the officer she wanted to file a complaint because she was not doing anything wrong and in case it comes up again. The officer still refused. She asked for his badge number and name, but the officer would not give her that information.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
