

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

February 3, 2023

ICMS #: 2023-0083

On January 30, 2023, the OPO received a phone complaint.

The complainant alleges: His oldest granddaughter left home to go to her grandmother's house. While she was gone a Hispanic guy dislodged the apartment's sliding glass door and got into the house while his daughter and younger granddaughter were asleep. The younger granddaughter said she woke up to a Hispanic guy standing over her yelling "where is he at—I am looking for him --- where is he at I am after him". The granddaughter fought him out of the bedroom and down the stairs into the living room. As the Hispanic guy was leaving, he made the comment, "I am coming back to get y'all." He did come back but with a gun. It was like something clicked in his mind, so he left. His granddaughter's mother told the complainant about the incident that happened. The complainant called the [REDACTED] office first but did not get a response. He called again the next day, and the call was diverted to 311. 311 took his report. The Hispanic guy had been going around the neighborhood threatening people. 911 was called and APD never responded. The Hispanic guy sent words to his daughter and granddaughter apologizing and saying he was wrong and out of his head. The complainant is well-known in the Austin Police Department. He was a self-made neighborhood watch years ago in South Austin. He became accepted by APD and [REDACTED], who was with APD at the time, would invite him to the police meetings.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
