

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

January 27, 2023

ICMS #: 2023-0064

On January 23, 2023, the OPO received a phone complaint.

The complainant alleges: There was an assault report made for her stepfather, [REDACTED], but they can't find it in their system. The family has been calling Sgt [REDACTED] and Lieutenant [REDACTED] nonstop and have never received a call back. Her step-father was injured and in the hospital but hasn't been able to press charges because they can't get ahold of any of the detectives. The complainant was at the police station at the time of the call and said no one would even look at them. One of the guys that assaulted the step-father lives next door to him and has threatened him with guns. It's a very dangerous situation that the complainant would like to resolve as soon as possible.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
