

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

August 5, 2022

ICMS #: 2022-0638

On August 2, 2022, the OPO received a phone complaint.

**The complainant alleges:** APD gave her the wrong information and refused to give her the correct information. APD refused to file a supplementary report indicating TXDOT did not call them regarding a tow. TXDOT told her the officer was on site and the officer said he was not. Basically, APD told her a lie. The officer told her they were not going to waive the tow charges even though the car had not even arrived at the tow company address. All APD could say is it happens to people every day. TXDOT did not call or e-mail about towing her car.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
