ICMS #: 2022-0332

On May 2, 2022, the OPO received an online complaint.

**The complainant alleges:** I was issued a false fraudulent ticket for making a uturn on n [REDACTED] close to [REDACTED], I took a three point uturn not a uturn and I told the officer who stop me by sign of hand as he was signaling the traffic by standing in the middle of [REDACTED] as I was facing north ,I took a left turn ina st and then turned back in to [REDACTED] facing north ,the officer did nit identied in my several request he did nit call the supervisor in my request and he did not even issued me the ticket he asked the other officer who issue me the ticket and when I asked that other officer why is he issuing me a ticket he said because my other officer said so ,I asked have trying seen me commuting any violation yourself as you are the one who has given me this ticket he clearly stated 'No' ,shocking stuff going on unbelievable I said and then I left . I want to file and official complaint against both officers the first one did not identify himself as my several requests since he knew he made that citation up for nothing he made the other officer ticket me as used him as a scapegoat.
