

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

September 2, 2022

ICMS #: 2022-0732

On August 29, 2022, the OPO received an online complaint.

**The complainant alleges:** APD is still promoting racially profiling and discrimination while doing traffic stops. I was told that Officer [REDACTED] stopped me because he stated that I went over the crosswalk line at the 4 way stop. I recall stopping before I got to that line and he's parked to where you cannot see the stop sign. He is doing this to trap people and then when he pulled me over and ran my name he lied and said that my name is tied to someone named [REDACTED] (I don't know who that is) he says that she was arrested for disorderly conduct in [REDACTED] County. I've never heard of that place.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
