NOTICE OF COMPLAINT

August 26, 2022

ICMS #: 2022-0703

On August 22, 2022, the OPO received an email complaint.

The complainant alleges: filing a complaint, case number [REDACTED] Officer

Officer [REDACTED] refuse to give his full name badge number [REDACTED]

[REDACTED] 911 dispatch them to come out after taping the whole conversation not once did I mentioned the perpetrator name when police arrive they stated they stopped in the office and asked did he have any prize so how could you stop and ask them that when you didn't know his name and you're on a 911 call so why are you stopping in the office when you're dispatched to me because after all these complaints on police y'all are sending setups to me that's why everything has to go to the Federal Bureau of Investigations

If that had been the president they would have went and got him they knew exactly who he was because they sent him to attack me

And stated they body cameras don't take pictures but he took a picture of my face when the perpetrator pitch the ball in my face attacking me and the exercising room that's too many police that need to be held accountable for their crimes

Federal Bureau investigation.
