NOTICE OF COMPLAINT

March 17, 2023

ICMS #: 2023-0212

On March 14, 2023, the OPO received a phone complaint.

The complainant alleges: APD took his luggage and other items and put them in the back of a police car. They took his things wherever they store things. They took him to [REDACTED] jail where he spent 6 months. When he got released, he had on only a pair of gym shorts and a t-shirt and no shoes. When the complainant went to get his property, he was told they destroy it after [REDACTED] days. He told them they were supposed to let him know what was going on because what they destroyed was \$20,000 worth of property.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
