NOTICE OF COMPLAINT

October 7, 2022

ICMS #: 2022-0900

On October 7, 2022, the OPO received a phone complaint.

The complainant alleges: Some GPS equipment worth at least \$20k was stolen out of the complainant's truck on [REDACTED] morning. 311 told him on [REDACTED] that a detective would call him that day. On [REDACTED] he called 311 after not hearing from a detective and was told someone would call him in 24-48 hours. The complainant called again on [REDACTED] and was given a number so he could follow up on his request. [REDACTED] he was told by 311 that it will take 5-15 days for someone to get to him to file a report. The complainant was upset that he was told different things every time he called 311 and stated that he is under pressure from his employer to file a report so they can file with insurance.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
