

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

July 8, 2022

ICMS #: 2022-0565

On July 7, 2022, the OPO received a phone complaint.

The complainant alleges: He was followed by APD and as he reached his driveway he was pulled over and told he did not stop at the stop sign. APD racially profiled him and talked crazy to him. APD threatened him and harassed him and violated his civil rights. APD was fishing for drugs—checking the gas tank and everything else. The story changed 4 different times about why he was stopped. The girl with him told the officers she smoked weed. APD tried to put half a joint on him. He asked Officer [REDACTED] if he could use a pen and paper to write down a number. [REDACTED] told him to hurry up and give his pen and paper back and hurry up and move his car. He felt the officer was trying to start something with him, so he gave him his pen and paper back and asked the female officer to write the number. As she started to write the number down Officer [REDACTED] told her to write it down for him. Officer [REDACTED] began telling him what he was going to do to him. He does not have problems with officers because they know he has changed. Officer [REDACTED]/Badge [REDACTED] needs to go back to training or be fired.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
