

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

April 28, 2022

ICMS #: 2022-0321

On April 26, 2022, the OPO received a phone complaint.

**The complainant alleges:** She was robbed by her property manager. The property manager entered her apartment on the [REDACTED] or [REDACTED] and stole her cats along with about \$4,000 worth of belonging. She had not been evicted, nor had she abandoned her apartment. The property manager knew she was moving out on the [REDACTED]. The property manager admitted to putting her cats outside which is animal abuse and neglect and is imprisonable in Texas for up to ten years. After APD spoke to the property manager she was told it is not a civil matter and not criminal because the property owners were involved. She feels this is inaccurate and means a property owner can enter a renter's apartment, and steal all of their belongings and there is no criminal recourse. She feels there is foul play and does not know if the property manager knows someone in the department or if the officers were paid off. Two different deputies were extremely rude and hung up on her when she was trying to tell them about the incident. She left messages for [REDACTED] [REDACTED] [REDACTED] and wants him to call her back so she can discuss this matter because police are supposed to protect good people from bad people and if they are not doing that what is their purpose.

***This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.***
