NOTICE OF COMPLAINT

October 7, 2022

ICMS #: 2022-0901

On October 7, 2022, the OPO received an online complaint.

The complainant alleges: i went to the [REDACTED] concert at the [REDACTED] on [REDACTED] and officer [REDACTED] followed me inside & took my photo after i videoed her and a colleague outside the theater. this was aggressive, inappropriate, and unprofessional. i told her i would file a complaint against her & the [REDACTED] asked me to leave (i received a refund). this is because [REDACTED] around and asks [REDACTED] [REDACTED] to have his officers & detectives not cooperate with me as [REDACTED] subjects me to its systematic abuse. the [REDACTED] acts as [REDACTED] surrogate and wrongfully depicts me in the wrong. law enforcement is to remain fair and balanced at all times - not political and skewed for the well-connected. this episode was another shameful display of authoritative abuse & arrogance APD target me with for [REDACTED] and the help the area businesses afford this matter vis a vis their own corrupt, bad actions.
