### NOTICE OF COMPLAINT

---

August 12, 2022

ICMS #: 2022-0665

On August 8, 2022, the OPO received a phone complaint.

**The complainant alleges:** Her daughter, [REDACTED], was taken to juvenile detention. The complainant witnessed APD's response to resistance when they arrested [REDACTED] and stated she didn't see anything out of the ordinary. A sergeant came and spoke with the family about it. The complaint is that [REDACTED] was taken to the hospital to be treated for a head injury and no one told the complainant or asked her for permission. She found out when she went to pick her up from jail and they asked her to sign something saying she went to the hospital. The complainant would like to speak to a supervisor to understand if this is standard procedure.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
