### NOTICE OF COMPLAINT

---

October 28, 2022

ICMS #: 2022-0971

On October 24, 2022, the OPO received a phone complaint.

**The complainant alleges:** The complainant was in an accident and the female officer on scene never asked him any questions. She asked questions of the other party, went off their word, and never asked if the complainant if he wanted to file a complaint against the other people for damaging his property. The officer let them go. Why was reckless driving filed against him? He feels like he's being discriminated against. The complainant doesn't have the officer's name or badge number. (Officer [REDACTED] is on the report, # [REDACTED], but the complaint did not seem to be for that officer.)

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
