

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

February 24, 2023

ICMS #: 2023-0148

On February 21, 2023, the OPO received an email complaint.

The complainant alleges: Resident is a retired law enforcement employee and called from the intersection of [REDACTED], where he witnessed persons experiencing homelessness walking out in traffic to panhandle, walking between lanes, and disobeying the pedestrian roadway ordinance that is set up for their own safety. Resident's complaint is that he has never seen APD patrolling roadways, enforcing the ordinance, or teaching people about safety practices. If the City is concerned for pedestrian safety as it claims to be, there needs to be enforcement of this ordinance.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
