## DISCIPLINE RECOMMENDATION

TO: Commander P. Cruz, Austin Police Department  
FROM: Director Gail McCant, Office of Police Oversight  
DATE: August 19, 2024  
SUBJECT: 2024-0389, Discipline Recommendation

---

Dear Chief Davis:

The Office of Police Oversight (OPO) monitored and participated in the Internal Affairs Division administrative investigation of APD Officer Ryne Kirchberg, AP9241 for violating APD General Orders 803.2.2, Storage of Firearms and 900.1.1, Responsibility to Know and Comply. Officer Kirchberg's Disciplinary Meeting (DM) with his Chain of Command is scheduled for August 23, 2024, at 1:00 PM at the East Substation.

OPO concurs with Officer Kirchberg's COC sustained findings in this matter and does not oppose any proposed discipline administered for his conduct that is within APD's General Orders Disciplinary Matrix for the sustained violations. Please feel free to contact me if you have any questions or concerns.

Sincerely,

Gail McCant
