

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

October 21, 2022

ICMS #: 2022-0942

On October 17, 2022, the OPO received an email complaint.

The complainant alleges: [REDACTED] a vagrant was trespassing on the property. A neighbor notified us and called 911, we tried to get the person trespassing to leave, they threatened us, and said they would come back. When we called the cops and the cops arrived, the cops told us that we did not have the right to issue the trespassing even though I own my condo and common areas that include the laundry room. Can you please let us know what we can do about making sure our area is safe, there are children here on the property. We should have every right to remove trespassers who are threatening.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
