

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

June 3, 2022

ICMS #: 2022-0462

On June 3, 2022, the OPO received a phone complaint.

The complainant alleges: He rents a room from a couple. The woman and her husband were out for that evening. The brother of the lady he rents from is not allowed in the home. Somehow the brother got into the house and came to his room yelling “where is my sister”. He told him he could not be in the house and walked him to the door. When he tried to close the door, the brother stuck his foot in the door and punched him. He reacted and they begin to fight. The brother finally left in a cab but continued to drive through the neighborhood. He explained the situation to the 911 dispatch, and they informed him to stay inside and that they would send an officer over. He waited and the officers never responded. When the owners of the house returned both he and his wife called 911 but APD never responded.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
