

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

May 20, 2022

ICMS #: 2022-0391

On May 16, 2022, the OPO received a phone complaint.

The complainant alleges: He was working as security and called APD because he had a person trespassing. In the past when APD has been called for a trespasser, he has been told to wait until they arrive. This time when APD arrived they questioned who he was, even though he has been working the same place for six years and he is always in uniform. The responding APD officers were rude to him. He was told by the officers that he should come over when the trespasser is approached. Previously he has been told by the APD to wait. He feels the officers are not going by the policy because they are not being consistent. Police Report [REDACTED]

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
