

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

July 15, 2022

ICMS #: 2022-0576

On July 12, 2022, the OPO received a phone complaint.

The complainant alleges: His friend of 10 years apartment was burglarized. As he waited for his friend, he sat outside on a bench to smoke a cigarette. One of the tenants spoke to him as she was going to check her mailbox. Office personnel approached them, totally ignored him, and begin asking the tenant questions about him. When he asked her why she was not talking to him she threatened to call the police and tell them he was trespassing. When the police responded they gave him a ticket for criminal trespassing, and he does not understand why because he has visited the friend's apartment before. When he asked the officers if he could get an escort to get his things, the two responding officers told him no. He still has items he needs to get from his friend's apartment. He is just trying to get his things. A similar situation happened to him [REDACTED]. Case [REDACTED].

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
