

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

November 23, 2022

ICMS #: 2022-1049

On November 21, 2022, the OPO received a phone complaint.

The complainant alleges: The complainant wants to know what he needs to do to get APD to remove the homeless people who live where he owns a business. He has spent a lot of money cleaning up after the people and repairing things they damaged, and states that they have harassed his employees. Officers have come out and arrested the people but have stated that they will be back out of jail in 3 hours and there's nothing they can do. The complainant has spoken with his DR, Officer [REDACTED]; however, the complainant didn't seem dissatisfied with that officer in particular. His complaint is more general in that these people are committing felony-level crimes and he needs assistance from APD.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
