NOTICE OF COMPLAINT

March 31, 2023

ICMS #: 2023-0244

On March 27, 2023, the OPO received an in-person complaint.

The complainant alleges: The complainant alleges that she called APD on [REDACTED] and again on [REDACTED]. Both times officers said there was nothing they could do. She needs these people gone from where she lives. They were given two weeks to stay and it's been a month. They are stealing from her; she can't even change her clothes. They are allowed to touch her things but if she touches theirs, she'll be arrested. She needs the police to help her.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
