

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

January 12, 2022

ICMS #: 2022-0026

On January 10, 2022 the OPO received an email complaint.

**The complainant alleges:** I need a copy of this police report ASAP to give to my insurance provider. I can't find it on the website database.

Also my stalker knew all the information about my case on [REDACTED], two days after my car was stolen. I want to file a formal complaint with the department given I can't even get this information to receive a check for my stolen Land Rover. But my stalker who lives in [REDACTED] has all the information. I fear for my safety. And I'm greatly disappointed with this police department.

***This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.***
