

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

January 12, 2022

ICMS #: 2022-0007

On January 4, 2022 the OPO received an online complaint.

The complainant alleges: I filed two reports [REDACTED] and [REDACTED] I contacted to ask what the officer had found about this particular vehicle. I got a call from a civilian who gave me the runaround and told me at officer in charge of that case would call me. That has been over a month ago and I have heard nothing. So I still don't know the status on that vehicle, whether it was stolen, or what happened. Once again a PD needs Better community policing.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
