NOTICE OF COMPLAINT

August 12, 2022

ICMS #: 2022-0670

On August 10, 2022, the OPO received a phone complaint.

The complainant alleges: The complainant has many general complaints about the Austin Police Department. One is that officers shouldn't be dispatched to non-emergency situations as though they are an emergency. He complains that call takers are not asking the right questions. He alleges that there was a loud party at his apartment complex and officers were dispatched to a domestic dispute. They came to his apartment and he let them in even though they didn't have a search warrant to prove he was the only person home. The officers then left without talking to anyone at the loud party. The complainant no longer wants to be harassed by APD and states he has no weapons and is not a threat to himself or others.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
