### NOTICE OF COMPLAINT

---

December 16, 2022

ICMS #: 2022-1124

On December 13, 2022, the OPO received a phone complaint.

**The complainant alleges:** The complainant noticed his car was missing and reported it stolen. Officer [REDACTED] came out and took his report. Around 10 minutes later the officer returned saying that a fellow officer called him saying that he had the complainant's car towed from his house.

The complainant thought there would be warnings, stickers, or contact with the owner before towing a car. The complainant's car is in a tow yard now and he doesn't know how he's going to get it out. The complainant was also concerned by the fact that he was receiving conflicting information from 311, the officer, and the tow yard.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
