

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

May 20, 2022

ICMS #: 2022-0407

On May 20, 2022, the OPO received an email complaint.

The complainant alleges: APD det [REDACTED] and [REDACTED] are refusing to investigate a hit on my storage unit at [REDACTED]. all my legal documents were stolen. some additional items such as clothes. APD is working in conjunction with NBC's hired corrupt PI to target me in retaliation for filing criminal complaints against [REDACTED] friends at nbc. i was told by OPO in an email dated [REDACTED] that internal affairs would contact me and no one has. attached is a pic of the gate entrance the "homeless" people had to jump. and a pic of the lock the "homeless" people supposedly cut through.

they jumped a gate, went to the very rear building, somehow entered without a cardkey, and went to the very back rear corner unit with a tool to cut through this lock. and the APD is claiming nothing suspicious here.

i'm including [REDACTED] on this email, [REDACTED] and the austin city council - so everyone can see what APD is up to in regards to APD's treatment of those with good faith criminal complaints in against [REDACTED] friends.

Here you go. I emailed everyone about your abuse of office, public corruption, and obstruction of justice. You need to be charged. I'm posting thus email at [REDACTED] on my Twitter page right under the falsified police report the apd rewrote to frame as an emotionally disturbed person when I am not. Apd has no credibility. See you, [REDACTED] and the other bad guys in federal court and before congress for giving special treatment to [REDACTED] friends and not upholding rule of law. I'm going to make sure you are known as the face of apd corruption when my story breaks in the national and by extension world news.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
