NOTICE OF COMPLAINT

March 25, 2022

ICMS #: 2022-0216

On March 25, 2022, the OPO received an email complaint.

The complainant alleges: Officer [REDACTED], came to [REDACTED]
[REDACTED]

Phone number, [REDACTED] [REDACTED] concerning the maintenance man [REDACTED] at [REDACTED] [REDACTED] senior apartments came to do repairs in my restroom my bedroom door was closed maintenance [REDACTED] didn't go to the restroom he went in my bedroom did not knock to see if someone was in there entered and did not answer me while he's in my bedroom to why maintenance [REDACTED] in my bedroom and that went on for a good little while to finally I went to the front door I opened it I put something in the door I went to the weapon that I had in case maintenance [REDACTED] came out I wouldn't enter the bedroom because I knew he was trying to have sex with me illegally and not consented and maintenance [REDACTED] was working at the time he's trying to do this and he's not even anything to me his name is [REDACTED] so finally nine days later it took the police to come out but I reported it to adult protection agency I even sent police oversight a copy [REDACTED] office [REDACTED], came to take the report 9 days later he told me that maintenance had the right to go in my bedroom that the door is closed he did not knock, and police officer [REDACTED] [REDACTED] stated maintenance [REDACTED] doesn't have to answer me while he's in my bedroom, IX maintenance [REDACTED] why are you in you know why are you in my bedroom and why can't you answer me [REDACTED] why are you in my bedroom and that's where maintenance was not it was in the restroom, so the police officer [REDACTED], badge number [REDACTED] seems to think that maintenance [REDACTED] has the right not to answer me while he's in my bedroom with the door closed. Police officer believes he had the right to do that

What he did and that was so incredibly stupid I never told the officer that [REDACTED] was no longer on the property he was removed because he tried to have sex with me doing his work hours and there's nothing between us. I don't know last name. I don't know where he lives. I don't have his phone number there's nothing going on between us. I did not see this coming for him to even try this during his work hours at [REDACTED] senior apartments so finally the office to call me back I'm going to send you a copy of his tape conversation of officer [REDACTED] badge number [REDACTED] of us on the phone I was told to report this officer.
