

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

February 11, 2022

ICMS #: 2022-0083

On February 7, 2022 the OPO received an online complaint.

The complainant alleges: After reporting my incident to detective [REDACTED] and not getting any response for a while I asked for an update and he responded by saying they have been busy and asks me if I want to continue with the case instead. I reply yes but then I was waiting for over a [REDACTED] again for a response. So now recently I say I want my stuff returned to me and then I get a reply back [REDACTED]. Also, I was told I was "vindictive" at one point so I think because the opinion of my detective and because I did not want to call the person who was involved in the incident, but I was pressured to do so multiple times (by a higher up, who I assume is the detective's boss and also victim services counselor [REDACTED]) that my case has not been taken seriously.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
