

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

January 20, 2023

ICMS #: 2023-0045

On January 17, 2023, the OPO received an online complaint.

The complainant alleges: Officer [REDACTED] needs to immediately fired and criminally tried and sent to jail in solitary confinement for 3 life sentences. He executed innocent 33-year-old [REDACTED]. [REDACTED] was the homeowner standing in his own driveway afraid for his life. Police acting did not preserve life or protect the community's instead [REDACTED] executed a productive member of society. [REDACTED] needs to be reminded that we don't live in China. We live in America, in Texas. Where you have the explicit right to carry and defend with an AR15 especially on your own property. Austin Police is a joke. [REDACTED] needs to be sent to prison and fired. Hopefully we can further defund APD because you guys don't do anything for us. Y'all are a joke.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
