

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

July 15, 2022

ICMS #: 2022-0586

On July 13, 2022, the OPO received a phone complaint.

The complainant alleges: He arrived at his apartment around [REDACTED] and there was a black man near the common pool area (which gives access to the entire complex) who appeared to be homeless-- wearing a red t-shirt and jeans, clearly under the influence of drugs, waving his arms and yelling obscenities. The complainant heard the person say he was going to shoot something, and at that point, he called 911. He went down to find security. 911 instructed him not to do anything because the person could be armed. The complainant called 911 at [REDACTED], [REDACTED], [REDACTED], and [REDACTED] and APD never responded. If the man was armed, it is pretty absurd that APD never responded to ensure the safety of the community.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
