

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

June 24, 2022

ICMS #: 2022-0530

On June 22, 2022, the OPO received a phone complaint.

The complainant alleges: She was told on [REDACTED] that APD was going to assign a detective to her case, and it still has not been done. The attack drones have gotten more aggressive and are attacking her in her head when she sleeps. APD may have given them the device to do it. When she calls APD to stop them, they come out and claim that cannot see them.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
