

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

June 10, 2022

ICMS #: 2022-0476

On June 7, 2022, the OPO received a phone complaint.

**The complainant alleges:** The complainant tried to report a sexual assault and get a referral for a rape kit. Officer [REDACTED] was dismissive and did not offer her any resources or compassion. The complainant states that Officer [REDACTED] has no business dealing with women or children who have been victimized. He would not give the complainant his badge number or a business card and instead wrote her case number on a tiny scrap of paper.

The complainant also interacted with Officer [REDACTED], who basically laughed her off and dismissed her claims.

The complainant does not want either officer to respond to her calls and she wants to speak with their commanding officer.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
