

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

July 1, 2022

ICMS #: 2022-0548

On June 29, 2022, the OPO received an online complaint.

**The complainant alleges:** Was violently assaulted by a felon. Screamed for help and someone called police. Police arrested the hispanic victim because the assaulter was caucasian. The caucasian assaulter was a previous [REDACTED] inmate who had committed deadly assault before. The police were racist and saying that only madre them want to do it more. If the races were flipped, this would not have happened. It would be unspeakable to do this if the races were flipped. You should not arrest the victim, especially When bleeding and asking for help.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
