NOTICE OF COMPLAINT

December 30, 2022

ICMS #: 2022-1158

On December 27, 2022, the OPO received an email complaint.

The complainant alleges: Hello, my name is [REDACTED] I am [REDACTED] years old. In [REDACTED] was wrongfully convicted and have been homeless/starving ever since. I was charged with a felony assault and then sued the party for 20k and won without a lawyer. Literally a micro version of “Johnny Depp/Amber Heard” case. The plaintiffs father later then jumped/gang assaulted me on the street [REDACTED] Report already filed.

I am Working full time barely eating, I now have the strength and time to assert my rights. I need all the information on the officers pulled from my 7 arrests in which multiple officers were used unneeded force against me in a time during Covid and extreme mental strife. I endured a head injury in which I immediately requested medical attention and was denied. My skull was damaged for months after. I have no health insurance and haven’t been to the doctor in 8 years. My cases were then used by Austin American Statesmen to exploit me and my family for our fame using [REDACTED]” as a headline as well as mentioning my family’s fame. All to just sell papers and drag my family’s name in the dirt for another decade.

So I am bottom of the barrel poor barely making it my mom has Alzheimer’s and my grandma is 80 years old they are all I have. And I am all they have, I need these officers brought to justice for their lack of unprofessionally and abuse. My birthday date is [REDACTED], phone number. [REDACTED] my public defender was [REDACTED].

I am in the process of finding legal aid and gov food assistance but I cannot find the time at the moment. I intend on file as many lawsuits as needed to get my life back I had my own business and career that allowed me to travel. My ex-partner continues to sit on 1000’s of items of my personal property after she used a protective order to find a loophole in the system to get away with grand theft and perjury. I need this to be taken care of. I don’t not pay taxes to have my life ripped apart by the institutions in Austin, Texas.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
