

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

May 13, 2022

ICMS #: 2022-0377

On May 12, 2022, the OPO received a phone complaint.

The complainant alleges: There have been break-ins every other month at the non-profit in [REDACTED] where he is employed. He is very disappointed in terms of APD getting back to him. About [REDACTED] ago he had video footage of a burglary totaling \$15,000 worth of equipment. It took 6 months for APD to get back to him to file a complaint. Recently there was a burglary and he called to file a police report. He just heard back from APD [REDACTED]. The person started taking the report and after 2 questions the phone call dropped on her end, and she never called back. He cannot make insurance claims because he can't get police reports in a timely manner. He has tried the online system but there is a character limit, so it is not possible to answer half of the questions before exceeding the limit. The online system for reporting crime is totally unacceptable. In [REDACTED], there was a break-in and when he finally spoke to someone at APD, he was told he needed to vote for new council members if he wanted anything to change. He feels that comment by a sworn officer is totally unacceptable.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
