### NOTICE OF COMPLAINT

July 15, 2022

ICMS #: 2022-0577

On July 13, 2022, the OPO received an online complaint.

**The complainant alleges:** I was waiting for friend to arrive home. I parked in the visitor parking and waited for about 5 min before realizing I had no cell service and decided to leave to get something to drink while I waited. When I came back, I parked in the visitors parking and was approached by the officer who said I needed to leave the property. I told him no, I was there visiting a friend who hadn't arrived yet to which he scoffed and said my story didn't add up because he had seen me park and leave earlier. I explained there was no phone signal and I was thirsty. Then he said if I didn't leave he was going to issue me a criminal trespass violation and I would be banned from the property for a year. I told him he was out of line because I was a guest there to which he demanded my name and the name of my friend. I told him I did not have to provide any info as I hadn't done anything wrong m, suspicious or questionable. He then started saying I was being dramatic which I replied you are threatening me for parking, yes I'm being dramatic. I told him I was leaving and he attempted to continue harrassing me but I got into my car and left.
