August 26, 2022

ICMS #: 2022-0714

On August 24, 2022, the OPO received a phone complaint.

**The complainant alleges:** TXDOT is trying to do construction work at [REDACTED] and [REDACTED] and the homeless are camped out and they are trashing it out and refusing to leave. He followed a police car, honking for him to stop and do something about it and the officer would not stop. He reports the homeless situation every other day because they keep coming back. The same people. They are fornicating, urinating, and defecating in front of everyone, and it needs to stop.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
