NOTICE OF COMPLAINT

December 12, 2022

ICMS #: 2022-1109

On December 7, 2022, the OPO received an online complaint.

The complainant alleges: I reported a crime to Detective [REDACTED] in [REDACTED] of [REDACTED]. The detective refused to investigate the crime committed against me, forcing me to gather the information of other victims, evidence against the perpetrator, and identification information about my perpetrator. I shared this information with Detective [REDACTED] via email over a period of [REDACTED]. The detective closed my case in [REDACTED] after information I gave him led to him being able to contact the perpetrator. He told me that the perpetrator stated she had not committed the crime & on this basis, closed my case (which included several other victims, some who were able to positively identify this woman as the perpetrator)

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
