

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

September 2, 2022

ICMS #: 2022-0748

On September 1, 2022, the OPO received a phone complaint.

The complainant alleges: APD was nice enough to let him know the homeless camp at [REDACTED] was moved. The officer told the complainant, “Now you know they are going to move right back in”. The complainant tried to explain to the officer the homeless keep moving back in because they know APD will not take action by putting them in jail. The APD officer told him he is doing the best he can. APD was just pacifying him because the homeless are just going to move back in. He has tried to contact the police [REDACTED] but there has been no response.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
