

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

March 11, 2022

ICMS #: 2022-0164

On March 8, 2022 the OPO received a phone complaint.

The complainant alleges: They waited for 2.5 hours for police to arrive after his wife was in a car accident in which her car was damaged and the other party was at fault. Officer [REDACTED] arrived and said he is a supervisor. The officer said it's ok for the guy (who hit the complainant's wife's car) to drive with a license that expired in [REDACTED] and no insurance. Now the complainant is stuck with a damaged vehicle, doesn't know what to do, and is very upset that the officer encouraged the man to drive with no license or insurance.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
