

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

March 17, 2023

ICMS #: 2023-0220

On March 17, 2023, the OPO received an email complaint.

The complainant alleges: During a traffic stop on [REDACTED] officer [REDACTED] [REDACTED] was incredibly rude and unprofessional. This officer also needs to review laws regarding yielding to an emergency vehicle. This officer pulled me over while I was going the speed limit for “failure to yield to an emergency vehicle “ during this stop, the officer talked down to me and lectured me. However the officer did not have his lights or sirens on. When I asked what the emergency vehicle was he excessively waved his hands towards his car, and made unnecessary comments. The officer was visible frustrated and condescending. After I explained his lights were not on and apologized, he then gave me a ticket for speeding that was wrong, and inaccurate due to his frustration. Because of the time it takes to go to court, take a day off work, etc. I will not be going to court and will plead no contest. However this officer clearly did not understand that he needed to have his lights on to be considered an emergency vehicle. This is my first bad experience with an officer. I hope he does better and fixes his attitude.

Officer [REDACTED]
