### NOTICE OF COMPLAINT

---

February 10, 2023

ICMS #: 2023-0096

On February 6, 2023, the OPO received an online complaint.

**The complainant alleges:** A speaker system or person(s) at the window, of my apartment, are claiming to be the police, intending to collect information from me. I have been harassed day and night by this system or person(s), located within approximately 100 feet of the southwest corner of [REDACTED]. Why are the police bothering me at night, waking me up in the morning, asking about topics like suicide and sex, as well as enforcing extra rules such as no showering? I feel my civil rights are being violated by this enforcement.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
