

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

May 6, 2022

ICMS #: 2022-0335

On May 2, 2022, the OPO received a phone complaint.

The complainant alleges: He is having problems getting APD to respond to his calls. He lives down the street from a school and there have been incidents involving someone doing donuts in the middle of the road at [REDACTED]. It has happened a number of times. He called APD and was told to call back if it happened again. He called back because the same truck did come back again. He called twice and was brushed off. Even though he was told to call back if it happened again APD still did not respond. There are a lot of kids in the neighborhood, and he just wants APD to respond to his calls because it keeps happening early mornings around the same time.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
