

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

September 16, 2022

ICMS #: 2022-0798

On September 14, 2022, the OPO received a phone complaint.

The complainant alleges: There was a knock on his door. He is disabled so it took a while to get to the door. The person then went around the house and banged on his back door. His wife called the police, and the police never show up. The complainant really does not feel safe because he can not get the police to respond when called.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
