

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

March 17, 2023

ICMS #: 2023-0217

On March 17, 2023, the OPO received an online complaint.

The complainant alleges: This complaint is for the [REDACTED] corporals lying about work they are doing. Cpl. [REDACTED] Cpl. [REDACTED] and others hire each other for double overtime but don't do any work. They sit in the office and watch movies while everyone else is out taking calls. I'm tired of coming into work and looking at my shifts overtime calendar to see them on it, just to have them sit in the office and not help out. You can easily pull the overtime logs or sheets and see when they work and compare it to their call logs. Cpl. [REDACTED] has now promoted to sgt but he seems to always be [REDACTED] working when I thought Sgt couldn't work patrol OT. The date in this complaint is a random day but you can look over the last year.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
